March 11, 2005

Hello to all and thanks for taking a moment to read this edition of ***MAILCALL***. As we approach Spring here in the States, we note that the shipments are beginning to increase. This is a busy time, and we will work diligently to keep all standard items in stock so we can accommodate everyone's shipping needs.

This week we processed the first of three orders for Australian builder "Quintrex". We will have the second release ready by the end of next week. A special thank you to Quintrex for your continued support of Lectrotab. Also this week, we shipped three orders to A.S.A.P. Supplies, our long-time Distributor in the United Kingdom. A.S.A.P. does a nice job of sending us comments from the field. We address each and every comment, so keep them coming!

Next issue is Friday, March 25th, but let us hear from you in the meantime. Use mailcall@lectrotab.com for your reply. Our responses will be very quick.

Best Regards,

Lectrotab Sales
