On Thursday of next week, we will be shipping a variety of Lectrotab kits to GBM in Sweden and extend our sincere thanks to Rolf Hansson and company who have been distributing the Lectrotab product since 1999.

Welcome to Atrimar Company in the Republic of Uruguay who has become the most recent Lectrotab international distributor. Atrimar's first shipment will also move out next week.

The new Lectrotab brochure is off the press and will be delivered later today. We will immediately supply Greenwich Trade with a generous quantity for distribution and, in the next shipment to everyone, we will include 100 copies for immediate use.

More next week but let us hear from you in the meantime. Use mailcall@lectrotab.com for your reply. Our responses will be very quick!

Regards,

L. Jeremy Crews
President
