June 18, 2004

We would like to thank everyone for their positive comments regarding the new Lectrotab brochures. The “5 Year Warranty” stickers are on order and they will be added to all brochures for future shipments. If anyone would like additional stickers, please send us a request.

Marine Direct Ltd., our long time Distributor in New Zealand, placed an order for several trim indicators and actuators yesterday. We will have the shipment ready Monday and sincerely appreciate the continued business. A special thank you to Darryll Hart for the nice job of promoting the Lectrotab product.

A quick note regarding the new OVAL control switch. Initial production will be limited to approximately 250 units. Please feel free to proceed with order placement so we can schedule accordingly. We are targeting late July to early August for shipments.

More next week but let us hear from you in the meantime. Use mailcall@lectrotab.com for your reply. Our responses will be very quick!

Best Regards,

John R. Sniffin
General Manager
