Friday June 24, 2005

Sales continue to be brisk as we approach the halfway point of the year. We sincerely appreciate your continued support of our trim tab product line, and as always, your comments from the field are encouraged.

We added another boat builder to our customer base this week. Maritime Skiff, located in Massachusetts, changed over to Lectrotab for all 2006 models. We believe that the Lectrotab design is superior to the other trim tabs systems on the market, and we are pleased when a builder converts to our brand. Our goal is to become the leading trim tab manufacturer by building the highest quality system in the industry.

Next issue is Friday, July 8th, but let us hear from you in the meantime. Use mailcall@lectrotab.com for your reply. Our responses will be very quick.

Best Regards,

Lectrotab Sales
