We're closing up shop in order to travel down south to Miami for the IBEX show. This will be the official introduction of the "OVAL" to the builders here in the U.S. We are very excited!

Next week we should have more information regarding the Volvo QL system and we will forward our comments to everyone in the *MAILCALL*.

Have a great week!

More next week but let us hear from you in the meantime. Use [mailcall@lectrotab.com](mailto:mailcall@lectrotab.com) for your reply. Our responses will continue to be very quick!
