Email to Export Accounts

October 29, 2004

We're back in the office today after returning from a very successful IBEX show in Miami. We are very busy writing letters to all that visited with us at the show. We should be up to date by next week.

Jeremy's comments regarding the Volvo QL system will be in next week's *MAILCALL*. Thank you to all for your continued support.

More next week but let us hear from you in the meantime. Use mailcall@lectrotab.com for your reply. Our responses will continue to be very quick!

Best Regards,

John R. Sniffin
General Manager
